

Please find below your personal school report detailing your school's Mathletics usage and achievements for the Autumn term.

Curriculum progress and mastery

Student improvement

See how much students at St Oswalds Worlestone CE Primary School are improving, by comparing their first attempt at an activity to their latest attempt.

On average, students improved by 12% last term.

Success and awards

Students achieving more than 1,000 points in a single week receive an award certificate. Certificates are continuous records of achievement which are based on a bronze, silver and gold scale.

That's a total of 129 certificates awarded to your students last term.

Activities completed

Research concludes that it takes just 3 Mathletics activities (around 20 minutes) per week to improve results.

2878

On average, your students are attempting 2.1 activities per week.
