"Let your light shine" Matthew 5:16

This term we are celebrating perseverance

Prayer of the week

Dear Lord,
Show us how to persevere when times are hard.
Give us the strength we need to never give up.
Help us to see our inner strength and guide us to our finish line.
Amen

Message from Cheshire East Parent Carer Forum

Cheshire East Parent Carer Forum welcomes all parent carers who have children / young people (age 0-25) with SEND in Cheshire East. Members can access information, peer support and training from CEPCF, and can share their lived experiences and views of SEND services in Cheshire East to help make things better.

We also offer events, workshops and training to our members for FREE

Cheshire East PCF has a small team of volunteer parent carer representatives who gather the views of local families and work in partnership with Education and Social Care services at Cheshire East Council, education settings, health providers and other providers to highlight where local services, processes and commissioners are working well, or challenge when changes or improvements need to be made. Mrs McDonough's Messages

Dear Parents/Carers,

Happy New Year to you all and hoping 2025 is a great year for everyone! This term didn't start as expected, with lots of snow, ice and -5 temperatures, but we have embraced it and the children have managed well. A huge thanks to so many of you for getting the children here on time in such challenging circumstances. It has been wonderful to hear all of the children's stories from Christmas, including how much they enjoyed their Christmas lunch and all the family members they have seen.

Perseverance

'When the world says, 'Give up', Hope whispers, 'Try it one more time.'

Our Christian Value this half term is 'Perseverance'. This week, we have talked about our life being like a race, and Jesus is with us for every challenge we face in our lives, just like a good trainer standing at the finishing line of a race, encouraging us and cheering us to keep going. Whenever we persevere with something, there is always a reward. This may be a medal or a certificate, like in a race, or it may just be the sense of achievement we feel inside. If your child has persevered and achieved something, please let us know and we would like to help celebrate with them in our Celebration worship every Friday.

Online Booking for school meals, ASC and Breakfast club

Please can you make sure that all school meals are booked onto SchoolMoney the day before each day (we recommend that you bulk book a couple of weeks at a time) so that Karen can make sure we have the right amount of food. We are still having a handful of children each day who haven't been booked on and Mrs Jordan is spending up to 20 minutes daily having to override the system and then inform the cook.

Favourite Food Day—Thursday 16th January

The children have voted for their favourite food and the winning meal was **Pizza, chips and salad followed by an ice-cream factory!** Make sure you book online if you want school dinners next week!

Sports Events for the Spring Term

Crewe and Nantwich Schools Sports Partnership have released all of the Spring sports events and we have booked on for as many as we could. There are quite a few for the infant pupils this time, which is nice and always well attended. Mrs Jordan has added these on to school spider already, so please log on to reserve a space as soon as you can. Places are limited, due to the maximum number given to us by the CNSSP. We will release the Summer term events as soon as we get them, later in the term.

Wishing you a wonderful weekend and as always if you have any questions or concerns, please don't hesitate to contact me via the school office or at Principalstoswalds@RCSAT.cheshire.sch.uk

Kind Regards,

Louise McDonough
